Virginia Tech COVID Policy for Spring 2022 Semester

Virginia Tech Public Health Conversation, January 20th

This week the university had a conversation with university leaders and experts on various public health strategies for this semester in light of the rapid spread of the Omicron variant.

Vaccines and boosters, as well as reporting them, will continue to be required for students who do not receive an exemption.

For more information and to watch the recorded discussion, see “Omicron variant, mental health, masks discussed during public health panel.” VTNews

For more information on vaccinations and how/where to upload your booster certifications, go to https://ready.vt.edu/vaccinations.html.
**VT COVID Testing Program in the DC Region**

The COVID testing program will be resuming on Tuesday January 18 through a mail-in testing program. The test kits will be distributed through the library. An overview of instructions is shown below, although some details are still being worked out. Please be patient as we bring this new program online, and remember that the program is for people without symptoms. If you are experiencing COVID symptoms, please contact your health care provider.

1. Register online to pick up a test. The scheduling website is [https://app.acuityscheduling.com/schedule.php?owner=20170330&appointmentType=29318318](https://app.acuityscheduling.com/schedule.php?owner=20170330&appointmentType=29318318)
2. Select Falls Church or Arlington on the website to see available pickup times.
3. Pick up your test from the NVC Library (1st floor) or Arlington Main Desk (2nd Floor) as scheduled. You will need to show ID. Hokie Passport is preferred, but another government-issued ID such as a driver’s license or passport is acceptable.
4. **DO NOT ADMINISTER THE SELF-TEST IN THE LIBRARY.** Preferred locations are your private office, home, or car. You can also administer the self-test outside, or in some part of the building where you can be far away from other people.
5. Carefully follow the sampling and shipping instructions included with the test kit. On Mondays and Tuesdays between noon and 4 pm, the NVC library will have a collection box at the service desk. The regular UPS driver will pick up completed test kits from this box. Outside of these hours, you must ship your test through UPS from a nearby office or public collection box.
6. Tests are processed by the testing company, and the results will be communicated to the university by Friday. Negative test results will be communicated by email only. Positive results will be communicated by either EH&S (for employees) or Schiffert Health (for students) using a combination of email and phone.

**Spring 2022 New Student Orientation (Recording)**

**VT-DC Spring 2022 Online New Student Orientation**

The Graduate School hosted an online general orientation session for new students on January 12th. You can access the recording with all the important information [HERE](#).
**International Students: Important Reminders for Spring 2022**

**Enrollment Requirements**
Continuing (not new) international students who were issued a “Continued Attendance” I-20 may enroll in a full-time course of study that is 100% online. You may enroll in any combination of in-person, online, and/or hybrid courses that best suits your academic, health, and other needs as long as you are enrolled in a full-time course of study. Full-time requirements are a minimum of:

- 9 credits for graduate students without an assistantship
- 12 credits for graduate student with an assistantship
- Please note that the last day of add/drop is **Monday, January 24th**. Be sure to meet enrollment requirements by this date.

**Spring 2022 graduates**
Students who will be in their final semester and do not require full-time enrollment to complete their degree program may enroll less than full-time as long as they have submitted a **Reduced Course Load (RCL) request** through the IntlHokies Portal and have received an approval email for their request. Academic RCL requests are **due by 01/24/2022**.

**On-Campus Employment**
Students working on-campus for VT during an official university break are permitted to work full-time (ex: more than 20 hours per week). The final day to work full-time during Winter Break will be **Friday, January 14th, before 11:59 PM**. Students who engage in full-time on-campus employment after this date will be in violation of their status and risk termination of their SEVIS record.

**IntlHokies portal**
All immigration requests are submitted online using the IntlHokies portal.

**Advising appointments**
All academic and immigration advising appointments with advisors will be held virtually this semester. Advising appointments can be booked online by students using the Hokie One Stop system.

HOW TO SCHEDULE AN APPOINTMENT?
Scheduling an appointment is easy! Just reach out. Email Julie Kaplan, Ph.D., at jskaplan@vt.edu, or call 703-538-3797 or 540-231-6557 (main campus, after hours line).

Hours: Monday – Thursday: 8:00 a.m. – 5:00 p.m.,
        Friday: 10:00 a.m. – 5:00 p.m.
The Writing Center Online Services
The Writing Center offers services online. Appointments can be scheduled at https://lib.vt.edu/study-learn/writing-center.html. Graduate students, be sure to limit your view of each schedule to "specialized graduate support" to work with a graduate student. There will be two types of schedules available:

Live Online Tutoring (Synchronous Online Tutoring)
Like our face-to-face tutoring, live online tutoring takes place in real-time with both the student and tutor “present.” Both parties are able to view the student’s work on screen and can communicate through audio/video or chat. Especially helpful for line-by-line editing help!

24 hrs. Later Feedback (Asynchronous Online Tutoring)
Unlike live online tutoring, 24 hrs. Later Feedback, or asynchronous tutoring, does not take place in real-time. Students will reserve slots on the 24 hrs. Later Feedback schedule and attach the most recent draft of their paper, along with the instructor's assignment sheet or prompt, and receive written feedback from the tutor within 24 hours of the appointment start time. The tutor will review the writing assignment for 45 minutes and make observations, pose questions, and suggest strategies for the improvement of your writing. Tutors will not be editing papers, but providing some editing suggestions.

Events, Workshops, etc....
Thursday Walking Group, 12:30pm to 1pm, Meet in the NVC Lobby
Join our new Counselor, Dr. Julie Kaplan, for walks in the NVC neighborhoods and techniques of mindfulness! Please Note: the walking group will now meet on Thursdays.

Escape to DC!

Its Restaurant Week!

Restaurant Week in DC and the entire metro region is offered until Sunday; go to their website and see the participating restaurants. It’s a great way to try different places, not spend too much money and take note of those you enjoyed and want to visit again. The prices and menus are fixed: breakfast/brunch $25, lunch $40 and dinner $55. They offer dine in or take out options.

Futures, Smithsonian’s Arts and Industries Museum, Free Admission

“Smithsonian’s historic Arts and Industries Building has opened its groundbreaking new experience. On view through July 6, 2022, FUTURES is the Smithsonian’s first major building-wide exploration of the future and will temporarily reopen the Smithsonian’s oldest museum for the first time in nearly two decades. The part-exhibition, part-festival will celebrate the Smithsonian’s 175th anniversary with more than 150 awe-inspiring objects, ideas, prototypes and installations that fuse art, technology, design and history to help visitors imagine many possible futures on the horizon. Make sure to read our guide to the exhibit before you go.” washington.org
