

NVC PARKING QUICK GUIDE

IMPORTANT PARKING INFORMATION

- Parking in the West Falls Church Metro lot, across the street from the Center, requires the purchase and use of a SmartTrip card until 12 midnight. Please visit Metro's website to buy a SmartTrip card online.
- Parking is prohibited on Haycock Road, in the George Mason High School lots (without permission), in nearby residential areas, or in the commercial/shopping center parking lots. Long-term parking at the Center's metered parking is also prohibited. Unauthorized parking in any of these locations may result in your vehicle being towed at the owner's expense. Please avoid this inconvenience by only parking in designated areas.
