Turn on Google 2 factor on your account:

- Go to: [https://myaccount.google.com/signinoptions/two-step-verification/enroll-welcome](https://myaccount.google.com/signinoptions/two-step-verification/enroll-welcome)
- Select Get Started

- Login using your Virginia Tech PID, PID password, and 2 factor method

- You will be asked to type in a phone number for account security.

- Select either Text message or Phone call, then click NEXT.

- A 6-digit verification code will be sent to method you selected.
- On the next page you will ask you to enter the verification code you received from Google.

- Click on the **NEXT** to continue.

- Once verified, click **TURN ON** at the bottom of the page.

- Google 2 factor has been enabled on your account.
